1909

Called Meeting by the Mayor
City Hall June 30th 1909.
Full Board Present.

1909

✓ President Dennis in the Chair.

This Meeting was called by the Mayor by written notice to each member of the Council to be present for the purpose of devising some plans to rebuild, or repair Humphreys Mill Dam at once, or as soon as possible, and after considerable discussion the following Resolution was passed,

Whereas the flood gates of Humphreys Mill Pond are out of repair, and will not hold water in said pond, and whereas the said pond remaining dry is considered unhealthy and unsanitary; Now therefore be it resolved, that in order to protect the health of the Citizens of Salisbury, that the Mayor and Council build a jury dam so as to cover the bottom of said pond with water, and said work be begun at once, and completed as soon as possible, said pond in its present condition being considered by the Health Officer, Dr. C. R. Smith as dangerous to health.

1909 On Motion

The President was instructed to appoint a Committee of four as follows Messrs Dennis Hitch Smith and Sheppard to Hire a suitable man and purchase Lumber and other Material necessary to building a Jury dam across the washout of Pat Humphreys Mill dam and to have the work done at once.
